5. Other insurer involvement / Third party claims

Other private medical insurance company

If you also have private medical insurance cover with a company other than Aviva, you will need to complete this section. When a person has two policies that may cover them, they can only claim eligible medical costs once. If you are included on another policy that provides medical cover, the cost of your treatment may be split between Aviva and the other company.

You do not need to do anything except provide the information requested – we will deal directly with any other company involved.

If you are covered by another private medical insurance company, we need to know the following:

- **name, full address and contact details for the other company**
- **policy number**

Other medical company

Third party

This is when you have an illness or injury and you require medical treatment for which you are claiming from Aviva, as well as claiming costs against any person or company who may be responsible for that illness or injury.

The details we need for these cases are:

- **Your solicitor's name, address, telephone number and reference number (if you have appointed a solicitor)**
- **The name of the person who may have been responsible for your illness or injury, and their insurer's name, address, contact details and policy number.**

Third party involvement
(please give all third party
details known to you)

6. Consent to obtain a medical report

We may require further information from your doctor to enable us to make a decision on your claim. We can only obtain this with your consent and therefore need you to sign and date the 'Consent and declaration' section on the next page.

You should be aware that you have certain rights under the Access to Medical Reports Act 1988 or the Access to Personal Files and Medical Reports (Northern Ireland) Order 1991. The main points of the Act are as follows:

- If you indicate (in the declaration) that you do not wish to see the report we will not notify you if we apply for one. However, if before such a report is sent to us you write to your doctor requesting to see it, you will have 21 days to contact your doctor about arrangements for you to see the report.
- If you indicate (in the declaration) that you wish to see the report, we will write to you at the same time as we contact your doctor. We will say that you have asked to see the report and that you have 21 days to contact your doctor to make arrangements to do so. When you have seen the report the doctor may not send it to us until you have given your consent to do so.
If you do not contact your doctor within 21 days the report will be sent to us.
- You can ask your doctor if he/she will amend any part of the report which you consider to be incorrect or misleading. If your doctor is not in agreement, you may attach your comments.
- During the six months after we have received your report you may ask your doctor to see a copy. Should you ask for a personal copy of the report the doctor can charge you a reasonable fee to cover the cost.
- In some circumstances the doctor may decide, in the interest of your health, or to respect the interest of others, that you should not see all or part of the report. The doctor will notify you of this and you will have the right to see any remaining part of the report. If it is the whole of the report which is affected, this will not be given to us without your consent.
- You can withhold your consent. In this case we may be unable to proceed with your claim.
